1. STUDENT RESIDENCE PERMIT

Please be aware that this information is the summary of previously gained experience. Every student has to read the Immigration Office official web page and follow the updates about Law on Foreigners and International Protection, as regulations might change frequently: http://en.goc.gov.tr

Students who are enrolled in an academic program in Turkey for 3 months or longer are obliged to acquire a student residence permit as per the Law on Foreigners and International Protection. The Student Residence Permit gives you the right to stay in Turkey during your study period. All international students, regardless of their status, are required to apply for the student residence permit within a month upon their arrival in Turkey. To do this, you need to make an online residence permit application and submit your files. However, do not worry; we will guide you through the process and provide you with the related information taken from the Istanbul Immigration Office.

However, it is your responsibility to prepare all the documents listed below and submit them to the Immigration Office on time!

You must complete the following documents after the registration so that you can submit your hard copy application file to the Immigration Office immediately. If you do not provide all the documents on time, then you will have to submit them to the Immigration Office later. For this reason, your card may arrive late and you may encounter legal problems such as paying fine or deportation.

Important Notes:

- An application can be only made after entering Turkey and registering at the university. Residence permit applications made from abroad are invalid. Students wishing to apply for the residence permit or to prolong the duration of the residence permit must be in Turkey.

- Turkish citizens / blue cardholders do not need to get a residence permit. If you have Turkish citizenship or blue card, please let us or student resources know via email.

- Students cannot leave Turkey before obtaining the residence permit document. Departing from Turkey before the residence permit application may be evaluated results in rejection. Your application may get cancelled.
• Students are responsible for prolonging their residence permit according to their study period, if needed.

• Student’s passports must be valid at least 60 days beyond the requested ending date of residence permit. Make sure your passport is valid for 6 months minimum. (We recommend that your passport be for at least 5 years. In this way, it is possible to obtain a longer residence permit.)

• If you already have a short-term residence permit, you can make a “transfer application” for the student residence permit. Please let us know via email.

• If you are coming from another university in Turkey to Sabancı University, you have to apply for a residence permit within 10 days after you leave your previous university. In addition, you need to get a document as proof of leaving your university before joining Sabancı University.

• The IRO (International Relations Office) checks the documents before you submit them to the Immigration Office. Please get in contact with the irolegal@sabanciuniv.edu for showing your documents before your document submission to the Immigration Office.

• Missing documents can lead your card’s evaluation to be late and your card’s arrival may be late for this reason. Avoid this especially if you have little time left before your visa expires. You may encounter legal problems such as paying fine or deportation.

HOW TO APPLY FOR A RESIDENCE PERMIT?

STEP 1: OBTAIN YOUR TAX NUMBER

The tax number is necessary for important payments and processes, such as the residence permit fee, opening a bank account, and/or registering your mobile phones. Once you receive your residence permit card, you will have your foreign ID number on it. You can use your foreign ID number for all legal issues; however, until you receive it, the tax number is the ID number you will be using. Thus, you need to obtain a tax number upon your arrival.

There are two ways to obtain a tax number:

• Online Application: Visit the official web page of Tax Office at https://ivd.gib.gov.tr. Click on the Application for Non-Citizen’s Potential Tax Number button on the bottom of the page.
The application form has English explanations, and it requires you to upload your passport ID scan. The system will give you a Tax ID number once you submit the form. Please enable cookies and pop-ups on your browser since your Tax ID number will be given to you as an official letter in a PDF format. If you cannot obtain an online tax number, you must visit the nearest tax office in person.

**In-person application:** You need to visit a Tax office with your original passport and its copy. Enter the building and go to the “YABANCILAR İÇİN VERGİ NUMARASI” or “SİCİL İŞLEMLERİ” desk. The personnel might not be able to speak English. Therefore, you can bring this message to anyone, and they will help you:

“Merhaba! Ben Sabancı Üniversitesi'nden geliyorum. Yabancı uyrukluyum. Vergi numarası almaya geldim. Yardıınız için teşekkürler.” (Hello! I study at Sabancı University and I am foreigner. I came here to obtain a tax ID number. Thank you for your help in advance.)

See below the addresses of the Tax offices:

⇒ Yakacık Tax Office: Hürriyet Mahallesi Yakacık D-100 Kuzey Yanyol Caddesi No: 47/A-B Kartal ISTANBUL
⇒ Kadıköy Tax Office: Osmanağa, Halitağa Caddesi No:19, Kadıköy ISTANBUL

**Note:** If you already have a tax number or Foreign ID Number, you do not have to get a Tax Number again.

**STEP 2: MAKE ONLINE RESIDENCE PERMIT APPLICATION**

**Warning! If you are abroad, you cannot apply for the residence permit!**

It is necessary to upload your biometric photo in ICAO standards taken within the last six months to the form. Please have your biometric head-shot photograph in the JPEG version available on your computer.

Before applying online, download the online application guide here and follow the steps carefully. If you face any problems, you may contact irolegal@sabanciuniv.edu for technical support.

Click here to start your online application. Once your online application is complete, you should print it out, sign the signature line on the first page at the bottom, and add it into your file along with your other documents. You must prepare all required documents by yourself and please make sure that you do not have any missing documents.
Note: You have to select PENDİK IMMIGRATION OFFICE OR İSTANBUL İL GÖÇ İDARESİ MÜDÜRLÜĞÜ as your appointment place. If KUMKAPI IMMIGRATION OFFICE is available on the appointment selection list, you can choose it, too. Please leave SULTANBEYLİ for your last option. However, if ESENYURT is listed, please ignore that immigration office due to its distance to the campus.

Your appointment date and time will be sent by the Immigration Office to you as SMS/email message and it may take 5 or 7 days to receive it. Please be patient. If you do not receive after 5-7 days, you can send email to irolegal@sabanciuniv.edu

If you encounter a problem during your online application, please send the screenshot of the problem/application step to the irolegal@sabanciuniv.edu

Please state your email subject as ‘‘YOUR NAME - RESIDENCE PERMIT ONLINE APPLICATION’’

IMPORTANT!!!
PLEASE MAKE YOUR ONLINE APPLICATION BETWEEN 30TH OF SEPTEMBER – 15TH OF OCTOBER.

DUE TO HIGH NUMBER OF APPLICATIONS, WE SUGGEST YOU TO COMPLETE THE ONLINE APPLICATION AT THE EVENING, OUT OF THE WORKING HOURS.

STEP 3: PAY YOUR RESIDENCE PERMIT CARD FEE

You can make the payment online by the below instructions:

1. Visit //ivd.gib.gov.tr/
2. Click on the “Harç ve Değerli Kağıt Bedeli Ödeme” button.
3. Click on the “Göç İdaresi İkamet Tezkeresi Harç Ödeme” button.
4. Type the Tahakkuk no (Accrue no) into the “Başvuru Numarası” box and then the verification code as seen below in the “Güvenlik Kodu” box.

download the receipt.

7. Please download and print out the receipt once you are done with the payment.

8. Please note that you should pay only the card fee (160₺).

If you cannot pay online:

You must first obtain a tax ID number and then pay it via either Tax Office, Ziraat Bank, Halk Bank, or Vakıf Bank with the 9207-reference code. If you already have a residence permit card before, you can use the old residence card number as a tax number. **If you are below 18**, you are not authorized to pay the card fee for yourself. Therefore, you may ask for a relative or a friend of yours to pay your card fee **in your name with your tax ID number**. Please note that the payment of the card fee must be in your name with your tax ID number.

Make sure to have more than 160₺ cash with you when you go to pay. The personnel might not be able to speak English. Therefore, you can bring this message to anyone, and they will help you:

“Merhaba! Ben SABANCI Universitesinden geliyorum. Yabancı Uyrukluyum. İkamet kart ücreti ödemeye geldim. Yardımınız icin teşekkürler.” (Hello! I study at SABANCI University and am a foreigner. I came here to pay my residence card fee. Thank you for your help in advance.)

**If you pay your residence card fee via bank, please make sure you have a stamp on the receipt.** If not, please ask for a stamp (in TR.: Makbuza mühür basar mısiniz?)

Never throw away the original payment document as you have to deliver it to the Immigration Office along with other documents, keep the original document. Otherwise, you will have to pay again.

PLEASE SEND EMAIL TO irolegal@sabanciuniv.edu

In case of any missing documents, your application may be rejected or put aside until you bring your missing document. For this reason, we suggest you check the application status page regularly after your document submission. The related page is here. If you face any trouble during the submission of your documents, please contact us.

Please keep a copy of your residence permit application form for yourself so that you can track your residence permit application status.

**WHEN DO I GET MY RESIDENCE PERMIT CARD?**

The Immigration Administration is fully authorized to approve or reject your application and to mail your card to you. The period between the processing of your application and the receipt of your card may take up to 30-45 days.

As the International Relations Office, we are only responsible for providing the related information regarding your residence permit card application.

Once the Immigration Office goes over your files and approves your application file, the confirmation SMS / email for your application approval will be sent to you. After receiving the message, your card will be printed and posted by the Immigration Office. Your card is delivered to your contact address by the official carrier, PTT. You must be ready at the address you provided in the application form to receive the card. The mail carrier will not hand over the residence card to anyone other than you. If the postman cannot find you at your address, the PTT will return your card to the Immigration Directorate.

You can see the result on this page only after the evaluation of the immigration authority. Login to the system by entering your mobile number or your e-mail address and passport number that you used in the application along with your application number. The result of your application evaluation (positive or negative) will appear on the screen. If your application is approved, click on the "post tracking" link on the same page to find out the printing status of your card. If your card has not been printed yet, the barcode number will give an error. If it is printed, you can follow the delivery stage of your card according to the barcode number.

Please be aware that tracking your residence permit card during the posting process is fully
**your responsibility.** To receive your card, make sure you provide the correct address on the application form.

Be aware that the Immigration Administration might ask for some extra documents depending on your situation. After receiving your residence permit card, please send a double-sided copy to studentinfo@sabanciuniv.edu

If your application is rejected or your missing documents are requested by the immigration administration, visit the Immigration Office that you have submitted your documents before with your passport and provide your missing documents.

**Attention:** You cannot leave Turkey without obtaining your residence permit card. If you do so, you will receive a penalty depending on your case; moreover, your application will be cancelled by the Immigration Office.

**STEP 6: REGISTER YOUR ADDRESS**

After your residence permit card is prepared, the Immigration Administration asks students to go to the nearest Immigration Office and register their address. For this reason, you must register the address where you live with your residence permit card and passport. You do not need to make an appointment for this procedure. You can register by going to the nearest Immigration Office between 09:00 in the morning and 17:00 in the evening, on the day and time you are available. We recommend Pendik Immigration Office as it is close to our university.

Required documents for address registration:
1. Residence permit card
2. Passport
3. Address proof:
   - If you are staying in the dormitory, dormitory address certificate given by the dormitory management
   - If you are living off-campus, rental agreement (notarized), or water / electricity bill showing your name and address.
   - If you are living at a friend’s or relative’s house, a letter of commitment (Taahhütname) which is prepared at the notary can be used for address registration. You have to go there with your friend or relative who are having their address registration at this residency.
WHAT SHOULD I DO BEFORE LEAVING TURKEY?

In case you need to leave Turkey before you receive the residence permit card (we do not suggest this unless it is an emergency), please make sure you have an Approval Document (Müracaat Belgesi) and the residence card payment receipt with you at the airport that proves your application for the residence permit.

This document allows you to travel and stay outside Turkey for up to 15 days during your residence permit evaluation period. Yet, this document becomes available only after you receive a notification saying that your application has been evaluated positively. The evaluation of a residence permit application may take approximately 15 days after you submit them to the authorities.

To get Approval Document (Müracaat Belgesi), you need to visit the same website that you checked your application status. If your application is evaluated positively, you can download it as a PDF version or you need to visit Istanbul Department of Immigration (İstanbul İl Göç İdaresi) with your passport and submit it to the Room 204 (Student Residence Permit Room) on the first floor and request the Approval Document. Please make sure to get this document at least 5 days prior to leaving the country.

Once again, you are allowed to leave the country only for 15 days, even with the Approval Document.

WHAT IF MY INFORMATION (ADDRESS, PASSPORT INFORMATION, OR CELL PHONE NUMBER) CHANGES?

If your address or passport information is changed, after you receive your card, you must inform the Immigration Authority within 20 days. You must visit the Information Update Room (Bilgi Güncellemesi Odası) within the Istanbul Provincial Directorate of Immigration Administration building.

- Website and Address: [https://istanbul.goc.gov.tr/iletisim](https://istanbul.goc.gov.tr/iletisim)
- Google Location: [https://goo.gl/maps/BoNsd5bkMGLd4b9c6](https://goo.gl/maps/BoNsd5bkMGLd4b9c6)
- Working hours: 09:00-17:00
LEAVING THE UNIVERSITY, FREEZING THE TERM OR GRADUATION:

You should leave Turkey within 10 days once you leave the university or freeze the term, as your card becomes invalid as of your leave or freezing date. If you stay more than 10 days, you may have to pay a penalty fee at the airport when you leave Turkey.

If you graduate, your residence permit card is canceled as of your official graduation date, regardless of its duration. You can stay in Turkey for 10 days after the official graduation date. You can apply for a short-term residence permit application depending on your purpose of stay, before your student residence permit becomes invalid.

WHAT IF I LOSE MY RESIDENCE PERMIT CARD?

You have to go to the nearest police center as soon as possible and get a report about losing your card. Then you have to pay your residence card fee (160 TL in cash) at the tax office and keep the receipt. Then, you have to go to the Kumkapı Immigration Office with the report, payment receipt and your passport to apply to get a new residence permit card (You do not need to get an appointment date before going there). Immigration Office officials will accept your application and will send your new card to the address you have mentioned.

Kumkapı Immigration Office

HOW TO PROLONG MY RESIDENCE PERMIT?

If your studies continue past the expiration date of your card, then you have to prolong your residence card. Please be aware that the extension application is fully your responsibility. You have to make yourself familiar with the extension process from the Immigration Office web page and apply for extension before your residence permit expires. If you do not do so, you will face penalties and even deportation.

We suggest that you add your expiration date to your personal calendar and make sure to set a reminder at least 2 months in advance. You have to make your extension application 59 days at earliest before the expiration date. If you miss the date, then you can still apply within 10 days of
expiration, which might bring penalty payments too. If you miss the ten-day period, you must leave the country.
2. HIGH SCHOOL DIPLOMA EQUIVALENCY (DENKLİK BELGESİ)

As part of registration rules and regulations, all international undergraduate students are required to submit their High School Diploma Equivalency Certificate (Denklik Belgesi) together with other registration documents.

*Equivalency certificate:* The equivalency certificate verifies that your high school diploma / certificate is equivalent to those obtained in Turkey. If you have a Turkish high school diploma, you are not required to submit this document.

The High School Diploma Equivalency can be obtained before arrival in some countries where there is an Education Attaché at the Consulate / Embassy of the Republic of Turkey. However, please bear in mind that since not every Turkish consulate issues the Equivalency Certificate, it is important to check with the consulate in the specific country. If the Education Attaché at the Consulate provides this service, you should make sure that you obtain your equivalence certificate before arriving in Turkey and submit it during registration.

Students can also obtain the Equivalency Certificate from the Provincial Director of National Education in Istanbul by applying with their high school diploma / transcripts and graduation exam results (with requirements varying from country to country); but evaluation process takes longer in Istanbul.

- Your university registration **will not be completed** until you submit the equivalency certificate to the University.
- Please bear in mind that students who receive an equivalency certificate rejection are not allowed to legally register to any university in Turkey.
- Rules and regulations regarding the equivalency certificate are subject to change by the Turkish Ministry of Education.
- Applying for the equivalency certificate is solely the student’s responsibility. The International Relations Office can guide you through the process, if you have any questions.
HOW TO OBTAIN MY EQUIVALENCY CERTIFICATE?

OPTION 1 - FROM THE LOCAL TURKISH EMBASSY/CONSULATE WHERE YOU LIVE

It is better and easier for you to apply while you are in your country. Please click here to see the list of the educational attachés in your country. If there is an educational attaché where you live, we recommend that you contact the attaché in your country by phone or mail prior to your application. You may need to take an appointment and get information in advance. You can find the required document list below. After receiving the equivalency certificate, you have to submit all the original documents as soon as possible to the Student Resources to complete your registration.

OPTION 2 – OBTAINING YOUR EQUIVALENCY IN TURKEY

If there is not an Educational Attaché in your home country or they did not provide any services about it, you should apply for the certificate as soon as you arrive in Turkey. You must make an online application, upload your documents and make an appointment from the Ministry of Education Office.

Here are the steps to obtain the equivalency certificate by online application.

- Please click here to make an online application.
- Enter your personal information. Make sure you enter a valid Turkish mobile number, as the appointment will be sent to your phone via SMS.
- After entering personal information, please upload the required documents below.
- Select the Equivalency Center: If you are in Istanbul, select “BÜYÜKṢEHİR”
  The Ministry of Education Office (Milli Eğitim Müdürlüğü) is located in: Eski Toptaş Caddesi Eski Adliye Binası D:1, 34122 Sultanahmet/Fatih/İstanbul Click here to see it on map)
- Select an Appointment Date. After selecting the appointment date, the system will generate a Registration Number. Take a screenshot of the page and write down the registration number. Print it out if possible.
- After completing your online application, please prepare all the original documents, and go in person to the equivalency center on your appointment date.
- The staff at the equivalence center will return all your original documents to you after verifying the authenticity of your documents.
- After your documents are verified, you will be able to check your application by entering the Registration number on the online application system and then will be able to download your “Equivalency certificate” .pdf file to your computer.
- After downloading your result .pdf file, please send it to irolegal@sabanciuniv.edu and studentinfo@sabanciuniv.edu

If both options above are definitely not possible, then please send an email to irolegal@sabanciuniv.edu, explaining your special condition. After reviewing your situation, we will offer you further guidance.

### REQUIRED DOCUMENTS FOR THE EQUIVALENCY APPLICATION

- Application form. Download [here](#). Fill out the application form.
- Passport ID page copy
- Diploma or document that states that the applicants are entitled to receive a diploma - With apostille, in the absence of apostille, approved by the ministry of education, the ministry of foreign affairs, or the embassy. (These documents must be completely uploaded in a way that approval / seal will appear clear. Otherwise, the equivalence procedures will be cancelled during the application.
- Transcripts (must cover ALL high school years and must be stamped by Ministry of Education or Foreign Affairs or by the embassy.

**Note 1:** For **Apostille Convention Signatory** countries (see list [here](#)): your high school diploma and transcripts must be apostilled (mandatory according to Turkish Ministry of Education regulations). For countries who are not **Apostille Convention Signatories**: your high school diploma and transcripts must be approved/stamped by the Ministry of Education or Ministry of Foreign affairs or the embassy.

**Note 2:** The notarized translation of the diploma and the transcripts is required only when the documents are not in one of the following languages:
Note 3: Students who have completed the A- and O-level track for the GCE (British Education System) must fulfil one of the following options:

- Two A-Levels, One AS-Level and Two O-levels
- Three A-Levels and One O-Level
- Two A-Levels and Three O-Levels

Note 4: Although the above-mentioned gradings have been evaluated for obtaining equivalence certificates so far, we will have a few suggestions for you due to the situations we have encountered before. All these suggestions are from our past experiences. Since the legislation regarding equivalence may change, we must specify these for your convenience:

- **For Pakistani Students** - If you have an IB diploma, you will have to get it legalized. Your school can help you with this, within 6 months of your grades coming out. Once you have the legalized scores, you can get them approved by the Ministry of Foreign Affairs, and apply for equivalency in Turkey.

- **For Pakistani Students** - If you are coming to university with **3 A Levels**, get the IBCC equivalency. If you have **2 A levels**, make sure you get the documents stamped from the Ministry of National Education, Ministry of Foreign Affairs, or the Consulate. To do this, you will need to get your documents approved first by the British Council in Pakistan. You can contact them for more information about the process.

- If you are coming to university with 2 A Levels, make sure the documents come certified and stamped from Cambridge, British Council, Pearson, etc.

- Make sure all documents in your possession have the necessary approvals. (Ministry of National Education, Ministry of Foreign Affairs, Consulate, Notary Certified Translation etc.)
Additional Documents:

- Identity card/passport of the mother/father for those under the age of 18,
- Original and approved translation (if necessary) of the parental consent letter, university pre-registration document/student certificate for applicants who are under the age of 18 and will register in the university,
- Original and approved translation of the custody document, proving that the letter was written by the parent who has custody for the student for those whose parents got divorced.
- If there is a change in the surname in the education certificate and identity card/passport due to reasons such as marriage or divorce, the marriage certificate and/or identity register copy must be uploaded to the system.

Note: If your original diploma and other documents are at the equivalency office during your equivalency process, you can come to the university registration with a notarized copy of the original documents.
3. HEALTH INSURANCE

Sabancı University will provide health insurance for degree-seeking undergraduate students. In case of need, please contact irolegal@sabanciuniv.edu to get your health insurance certificate. For information about the scope of the health policy, please contact healthcenter@sabanciuniv.edu

4. PHONE REGISTRATION

If you have brought your own mobile phone to Turkey, you must register it within 120 days after your last entry date to Turkey. If you do not, your phone will be blocked after 120 days.

You will need to submit your residence permit card during the phone registration. If you register without a residence permit card, your phone will be blocked after 6 months.

In order to register your phone to the system, first you need to pay the mobile phone registration fee (currently 2170 TL). You can pay your fee via online banking, by going to the nearest tax office, or to any bank branch. (The fee may change annually.)

Whether you pay your fee online or in person, you will be asked to provide the IMEI number of your mobile phone. After making the payment, please take the receipt and keep with you.

If you do not know the device’s IMEI number, you can learn it by dialing these digits: *#06# After you learn your IMEI number, please write it down to a paper.

Paying the registration fee does not mean registering the phone. You must register your phone through the e-devlet portal. (http://www.turkiye.gov.tr)

PS: As the cost of registering your phone is almost equal to a new phone cost, we suggest buying a new phone instead of going through all these bureaucratic processes.
5. **E-DEVLET PORTAL**

E-devlet is a website offering access to all public services from a single point. You can register your IMEI Number, download your criminal record or student certificate or address document.

If you are an internet banking customer of a Turkish bank, you do not need to obtain an e-devlet password. You can enter the platform with your internet banking credentials. Once you enter the e-devlet website, you will see an internet banking option to enter the platform. Select that option, choose your bank and proceed. Otherwise, you do need an e-devlet password. To get your password, you have to visit a PTT branch (post office) with your active Turkish cell phone, passport and residence permit card.
